

Preparing your Home or Listing for your Biz360Tours photo shoot.

*Please consider that your home/listing will appear in High Quality imagery on the web or in print. Therefore, stage your areas as you wish to be viewed. Here are a few suggestions.

Curb appeal:

- Clean debris from yard such as palm fronds / tree trimmings and loose trash.
- Have grass mowed if possible 24hrs in advance.
- Make sure outside lighting is working (Important for Twilight Shoots)

Inside

- Straighten pictures or artwork on walls.
- Replace light bulbs that are not working.
- Clean the areas where you want photographed to your satisfaction.
- Remove or cover files, secure documents and or anything with client information showing.
- Organize desks.
- Clean/Mop/Vacuum floors.
- Touch up paint if needed. (Photoshop retouching per request)
- Clean windows.
- Organize bookshelves.
- Stage your home.
- Move items you wish not to be seen to other rooms.
